ASSIGNS.

- This survey focuses on the perception of the respondents on the importance of flood insurance in flood-prone areas of the city.
- This questionnaire is made only to obtain general perception for purchase and/or mortgage of houses reassessed previously or above market purchase. No responsibility or liability is assumed by Surveyor for use of any survey for any other purpose including, but not limited to, sale of survey or survey significant measure of property or in any other person not listed in notification either directly or indirectly. Any use is at the user's discretion.
